

Comanche

1972 Piper Comanche PA24-260C

International Comanche Society "Flagship" award winner in 2000 and 2002.

One of the cleanest, nicest, Comanche's and one of the last ever made you'll find.

Over \$85,000 spent on the panel alone, including a; UPS/AT MX-20, Garmin GMA340, GNS430, GTX330, Sandel SN3308 EHSI, BFG WX500 Stormscope and more all installed into a Flueger Burl Walnut Panel. There literally is too much to list on this flyer - please visit our web site at the address below - take a look
